Announcement regarding Vestnorden 2020

The organizers behind Vestnorden, NATA hereby announce that Vestnorden 2020, which was going to take place in Reykjanes in Iceland October 6-8 will be postponed to next year. This decision is based on the latest development of COVID-19 and uncertainty regarding travel and gathering restrictions in the coming weeks and months. We are sorry for the inconvenience that this brings to all relevant stakeholders and companies that have already signed up.

NATA will instead arrange an online Vestnorden webinar/b2b event October 7th - you will hear more about this later on. Please don't forget to sign up for the newsletter to stay tuned: <https://vestnorden.com/>

The dates for Vestnorden next year in Iceland are October 5 - 7. By that time NATA and the project management will be looking forward to welcome you back.

Kind regards
