The tour

For this tour we invite you to a wonderful sight-seeing tour from Keflavík harbour with Vogaseatours. Sailing along the coastline passing Keflavík, the cliffs of Hólmsberg and on the Faxaflói bay. Join our local guides on this small ocean adventure.

Prepare for the tour: Dress according to weather, sturdy shoes and a hat is always a good choice for Icelandic nature. Bring swimsuit for the chance to dip your toes in the milky blue waters at the Blue Lagoon.
