Take a trip to Isafjörður and slow your pace by traveling out of the masses and into the open nature with local experiences. This two day trip will give you a glimpse into what we offer here, both on land and sea. Taste the flavours of the region, enjoy the hospitality of the locals and experience unforgettable pop up adventures on the way. We explore the narrow fjords, the views from the top of the mountains, participate in traditions of the past alongside visiting sights that played a role in the Westfjords being chosen the best in travel by the Lonely Planet for 2022. If you have already seen something and been somewhere it is time for you to go to the middle of nowhere and enjoy "nothing". For the beauty of the area is in the lack of manmade construction, in the untouched nature.
